

**Job Title:** APC - Occupational Health Specialist  
**Department:** Advanced Practice Clinician  
**Supervisor:** Chief Medical Officer  
**FLSA Status:** Exempt  
**Approved Date:** 06-20-2022

**Position Summary**

Leads the Occupational and Environmental Health Program. Provides direct care for workers and work-related injuries and illness in the context of a family medicine setting. Works directly with employers to keep their businesses running by keeping their employees safe and healthy on the job. Leads the healthcare team to promote good health and prevent illness and maximize function of our patients.

**Essential Duties and Responsibilities** include the following. Other duties may be assigned.

1. Provides care that is compassionate, appropriate and effective for the treatment of health problems and the promotion of health across the continuum of care (outpatient and other settings).
2. Runs the Occupational and Environmental Health Program. This includes:
  - a. Provides primary care for workers and work-related injuries
  - b. Ensures the provision of biometric and prevention services targeting chronic illness
  - c. Addresses workers compensation claims
  - d. Ensures respiratory fit testing as needed
  - e. Conducts CDL/DOT examinations
  - f. Conducts MSPA driver medical certifications
3. Obtains medical consultations from physicians as needed for good quality care.
4. Actively participates in the clinic by directing assigned medical staff, nurses, and other staff in the provision of healthcare. Huddles daily with assigned staff to review care needs for patients.
5. Works collaboratively with clinic managers, site directors, coders, front office staff, pharmacy personnel, and external healthcare organizations/personnel.
6. Ensures timely, concise and appropriate documentation of patient care using the Electronic Health Record (EHR).
7. Uses the EHR for all prescriptions, referrals, labs, procedure requests, etc. to maximize legibility, transparency and availability to others.
8. Refers patients to specialists as appropriate.
9. Provides appropriate patient education.
10. Serves on committees and attend meetings in the clinic and hospital as requested or as required by medical staff by-laws or clinic policies.

11. Responds to messages, documents, results, and other patient information coming from internal and external sources in a timely manner.

12. Participates in monthly PEER review.
